

Business Solutions and Consultancy

Are you ready for your next #tech challenge?

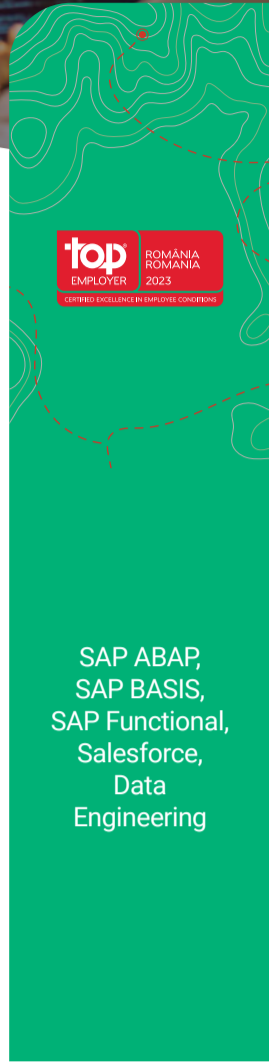

TechTrek is your gateway to the IT industry – immerse yourself in cutting-edge technologies and master new IT Business Solutions skills. Count on real mentorship, top-notch offices and the flexibility to pursue your studies.

And who knows? You might be among the select few students chosen to dive straight into our dynamic projects after the program, putting into practice what you've learned.

Is this you?

You are fluent in **English** and preferably **German**. Currently enrolled at a Technical University or in the field of Economics, you are looking for a **part-time, paid** experience.

Discover your office!

Sleeves up, hands-on learning

- > 10 months of intensive training backed up by self-study
- > Learn the basics: Data Engineering, DBA Development, SAP ABAP, SAP BASIS, SAP Functional or Salesforce
- > Sharpen your soft skills – it's part of the curriculum
- > Accelerate your learning with top e-learning platforms and trainings

What you are good at & what you will need to win

- > Currently studying a university program in Information Technology, Computer Science, Business Informatics, Economics or a related field
- > Logical thinker, self-starter and fast learner
- > Ready to rock this from Sibiu, Iasi or Cluj
- > Fluency in English is a must; German is a plus
- > Sociable, team-player
