TRAVEL & DIGITAL SOLUTIONS

SUMMER INTERNSHIP 2024

Period

July - September

Registration

Until April 15

Apply at

internship@netmatch.ro

Open positions

.NET Development, Software Testing

Web projects

Paid internship

Mentorship included

Employment opportunity

Software development

You will be involved in a web project, using .NET, JavaScript Frameworks (Vue, React...), SASS/LESS, HTML5 and more. We provide learning opportunities, guidance, mentorship and a genuine team collaboration experience.

Developer candidate profile

- ✓ Good programming skills
- ✓ Good communication skills in English
- ✓ Good knowledge of English, OOP, Algorithms and Design Patterns

Software testing

You will go through the testing techniques and approaches, while working on a web project. We'll help you build the foundations of your testing expertise, including automated and performance testing, in a friendly environment.

Tester candidate profile

- ✓ Strong analytical skills & attention to details
- ✓ Good communication skills in English
- ✓ Knowledge of the testing process is a plus

P.S. ... and if the Earth is not enough for you, we also run in the Cloud!
